Election/Restrictions

Applicant's election without traverse of Group I, claims 1-19, in the reply filed on 04/21/2006 is acknowledged.

This application is in condition for allowance except for the presence of claims 20-23 directed to an invention non-elected without traverse. Accordingly, claims 20-23 have been cancelled.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alfred K. Dassler on 05/26/2006.

The application has been amended as follows:

CLAIMS 20-23 have been cancelled.

Allowable Subject Matter

Claims 1-9 and 19 are allowed.

The following is an examiner's statement of reasons for allowance: although the prior art of record discloses the subject matter of defining a circuit layout, generating and allocating data regarding the circuit layout including measurement positions, transferring the data into a suitably formatted file, forming control instructions and exposing a mask according to the data recorded in the file, as described in the Conclusion of the previous office action, the prior art of record does not disclose, teach, or suggest completely a method for transmitting at least one measuring position of a structural element for measuring a characteristic dimension in a microscope, which element is about to be formed on a mask for lithographic projection, the method particularly comprising first, second and third user units as employed in the steps as recited in independent claim 1, and a method for transmitting at least one measuring position of a structural element for measuring a characteristic dimension in a microscope,

which element is about to be formed on a mask for lithographic projection, the method particularly comprising first, second and third user units as employed in the steps as recited in independent claim 19 in their totality.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
